NFIP Extended Through September 30, 2020

On December 20, 2019, hours before the National Flood Insurance Program (NFIP) was set to expire, the President signed the “Further Consolidated Appropriations Act, 2020” (H.R. 1865) that, among other things, extended the NFIP for nine months through September 30, 2020. Without this bill, the NFIP was set to expire on December 20, 2019. The law firm will continue to monitor and report on the NFIP’s status. Contact Stephanie Shea if you have any questions on the flood insurance regulations, including private flood insurance at SShea@ABLawyers.com.
