NFIP Extended through March 11, 2022

Just hours before the National Flood Insurance Program (NFIP) was set to expire, the president signed the “Further Additional Extending Government Funding Act” (H.R. 6617) that, among other things, extended the NFIP for three weeks from the date authorized, to March 11, 2022. Without this bill, the NFIP was set to expire on February 18, 2022. The law firm will continue to monitor and report on the NFIP’s status. Contact Stephanie Shea if you have any questions about the flood insurance regulations at SShea@ABLAWYERS.COM.
